Blue coats will be worn by the

members of the South End base ball

team in the parade Saturday, which

will precede the games at Buchtel field.

A band will accompany the teams, and

an effort will be made to make each

game as attractive as possible. The

teams still have regular practice be-

tween games, and it is reported that

they are ready to play a better game of

base ball than ever.

WILL SHOOT SPARROWS.

Elwood, Ind., May 16.—The Zoo Rod

and Gun club, which holds its annual

state championship tournament May

10 to 22, will use English sparrows in-

stead of pigeons.

MAY FIGHT ERNE.

Art Simms arrived home from Buffa-

lo, Wednesday afternoon, and has be-

gun active training for his fight at St.

Paul, where he will meet Otto Siefel,

May 26, for \$400. The bulk of Art's

work will be done at the North End

club. There are prospects that Art

may make a match for the fight of

his life in a short time. Bert Mathe-

son, his manager, has been after Jack

Herman, of the Fort Erie club, in an

effort to induce him to make an offer

for a fight between Simms and Frank

Erne. Herman is more than willing

and believes that it will be a good

fight, and he announces that he will

permit them to appear June 10, if the

fighters get together and make a

match.

It is also stated that Erne is willing

to meet Simms, and friends of both

parties are confident that the match

will be made. If Simms can whip

Erne, his earning power will be in-

creased many times.

CHALLENGE FOR WITTMER.

Fred Marks, a heavyweight west-

ler of Brooklyn, N. Y., has sent a

challenge to Charley Wittmer, of Cin-

cinnati. Marks offers to wrestle Wit-

tmer a mixed style match for a side

bet of \$200 and wants the match to

come off in Cincinnati.

NEED A PERMIT.

One of the effects of the Mayor's ab-

sence from the city is a further post-

ponement of the smoker that has been

prepared by the South End Athletic

club. No permit for the show can be

obtained until the Mayor gets back

from his trip to Erie. The program has

been arranged, however, and it is stated

that there will be no further de-

lay, once the necessary permit has been

secured.

LADIES MUST PAY.

A notable thing about tomorrow's

games of the city league will be the

fact that this time ladies will not be

admitted free. That feature was mere-

ly for the opening game. The hand-

some new uniforms of the South End

team are bound to attract much atten-

tion. The general color is black; the

caps will be orange, with blue trim-

mings, and the men will wear orange

stockings. The team letters will be

the same color.

JENKINS WON.

Tom Jenkins downed James Parr,

the English wrestler twice in 40 min-

utes last night in Cleveland, before

an audience of 3,000 people. Jenkins

adopted very rough tactics, and al-

though he did not transgress the Pol-

ice Gazette rules, was repeatedly his-

sed by the crowd, who, in turn, gave

the Englishman much applause and

credit for the cleverness and game-

ness of his work.

The holds employed by Jenkins were

back-hammers and seemed to be de-

partures from his usual style of work.

After the match Parr challenged Dan

McLeod to a match, straight catch-as-

catch can, for \$2,000 a side.

ENDED IN A FREE-FOR-ALL.

St. Louis, May 16.—The boxing bout

at the West End Athletic club last

night between Kid Abel, of Chicago,

and Tommy Sullivan, of New York,

ended in the fourteenth round amid

scenes seldom witnessed in the squared

arena. Sullivan practically won the

battle on a foul blow delivered below

the belt, but lost the decision be-

cause his manager, temporarily losing

The young couple always together before marriage rarely keep up this happy intimacy as man and wife. They are not tired of each other, but the young wife finds herself weak and languid, with no inclination for exercise. And thus begins a division of pursuits and interests which often ends in divided lives. The use of Dr. Pierce's Favorite Prescription makes weak women strong. It stops the drains which undermine the strength, cures "female weakness," nourishes the nerves and gives vigor to the whole body. There is neither opium, cocaine or other narcotic in "Favorite Prescription."

"I suffered from female weakness about eight years—tried several doctors, but derived no benefit until I began using Dr. Pierce's Favorite Prescription," writes Mrs. John Green, of Danville, Boyle Co., Ky. "This medicine was recommended to me by other patients. I have taken six bottles, and I feel like another person."

Free. Dr. Pierce's Common Sense Medical Adviser, 1008 pages, 700 illustrations, is sent free, on receipt of stamps, to cover expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

his head, jumped into the ring at a time when his protegee was almost helpless from the punishment he had received. At the conclusion of the bout the police, managers and handlers of the boxers and several spectators jumped into the ring and became mixed in an indiscriminate mass, the officers trying to bring order out of chaos, the others wrangling, arguing and in some instances exchanging blows. It was with great difficulty that the guardians of the law finally restored order.

MAY PLAY REVENA.

The East End Athletic club had arranged for a Saturday game against the Cleveland Wheel club, but this was called off earlier in the week because of the fact that the grounds here were not finished. Now that there is a possibility that the grounds may be ready by tomorrow, the management of the team has tried at the last moment to get a game with some other outside team. The Ravenna team may -- the one with which a game will be arranged.

CORBETT AND BERNSTEIN MATCHED.

Baltimore, May 16.—"Joe" Bernstein, the featherweight pugilist of New York, who is performing at a local theater this week, and "Young Corbett" have been matched for a fight to take place on June 2, at Chicago.

A Safe Cure For Headache.

Have you ever felt depressed after taking a headache remedy, and do you know that if it contained a Heart Tonic it would cure without that depression? Clinch Headache Wafers are a Heart Tonic, never depress, never fail, best and safest cure in the world. Easily taken. Absolutely harmless. 10 cents, all druggists.

Dangerous If Neglected.

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg for 30 years," says H. C. Hartly, Yanketown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits.

BROKE DOWN

As He Gave His Testimony.

"Dr." Dowie Told of His Daughter's Death.

Chicago, May 16.—At the inquest in the death of Esther Dowie, "Dr." Dowie was the first witness. He frequently broke down under his grief. He declared that his daughter's night-robe had been burned from her body and that vasoline had been rubbed on her by Deacon Speyher's orders. Speyher has a license to practice medicine. The witness declared that during the afternoon the patient's condition had become very serious and that Dr. Campbell, a medical practitioner, had been sent for to consult with Dr. Speyher. Campbell, the witness said, had said there was little hope. Dowie declared that when Esther regained consciousness she asked him to pray for her. At no time, he said, had she asked for medical attendance. The jury then returned a verdict that death was due to burns accidentally received.

Wants Others to Know.

"I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it," writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills.

ASPIRES

To a Higher Military Place.

Vacancy In Eighth to be Filled.

Captain Herman Werner Is a Candidate.

Captain Herman Werner, commanding Company F, of the Eighth regiment, and senior captain of the regiment will be a candidate for major of the Third battalion of the regiment.

This office is now vacant through the resignation of Major Charles F. Lee, of Wadsworth, who was a very popular officer, both as captain of Company G and major of the Third battalion, for some time.

The election will be held in a short time and it is believed that Captain Werner will have no especial trouble in landing the place, both because of his well known excellence as an officer and by reason of his rank as senior captain of the regiment. Captain Werner has commanded Company F for several years and served in that capacity during the Spanish-American war, when Company F formed a part of the Tenth O. V. I. A meeting of the officers of the Eighth will be held at Mansfield next week to nominate candidates. Among former majors of the Third battalion are General Charles Dick and Lieutenant Colonel Charles C. Weybrecht. Company B is in the Third.

The Most Common Ailment.

More people suffer from rheumatism than from any other ailment. This is wholly unnecessary, too, for a cure may be effected at a very small cost. G. W. Westcott, of Meadowdale, N. Y., says: "I have been afflicted with rheumatism for some time and it has caused me much suffering. I concluded to try Chamberlain's Pain Balm and am pleased to say that it has cured me." For sale by all druggists. E. Steinbacher & Co., wholesale agents.
